

Dunedin City Council 10-year plan 2018-2028:

Via email: [dcc@dcc.govt.nz](mailto:dcc@dcc.govt.nz)

The Otago Southland Employers' Association is a membership organisation of more than 1100 members, which has a proud history spanning 128 years, supporting businesses across Otago and Southland.

We wish to make a submission on the proposed waterfront development:

- We support development for the waterfront and the linkage with the City
- We commend the architectural design by the Dunedin-based architectural firm Architecture Van Brandenburg
- The footbridge link will bring a natural link to the City.
- There will need to be consideration that any redevelopment does not impact detrimentally on businesses already operating in the City
- Industries operating in the harbourside will need to be considered and a way to ensure that they can work together with any new developments
